

## Corporate Overview

**Midwest Diversified**, is built on over 20 years of experience with the core value “If you have a roofing need, we have a product that will enhance your facility, increase profitability and help reduce costs”. We are a commercial, municipal, and Federal coatings company that applied its first Conklin Coating in 1977 and are currently in our 12<sup>th</sup> year as a Conklin Master Contractor.

Our products provide clients with 85% reflective capabilities and come with a 5-18 year warranty standard, making Midwest Diversified the low risk choice. Services include; metal roof restoration/preservation, bituminous roof restoration/preservation, and single ply restoration/preservation all with Energy Star Rated materials.

- Energy Star Rated
